Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

SAN PASQUAL PARK

- *OK to film at San Pasqual Park.*
- *Does NOT have exclusive use of the park and parking lot.*
- *MUST be a cast and crew size of 10 people and under at all time due to weekend filming. If company is found to exceed restricted amount of people on site, production will be shut down immediately by Park Rangers or Park Staff.*
- *NOT allowed to have generator on site. If company is found to have one on site, production will be shut down immediately by Park Ranger or Park Staff.*
- *MUST be aware that filming is on a weekend. Expect park to have heavy park patron traffic and activity.*
- *NOT allowed to close off any access areas to the park at all times.*
- *MUST stay clear of baseball and soccer fields at all times – due to municipal sports.*
- *MUST stay clear of children's playground and basketball courts – due to weekend filming.*
- *NOT allowed to film anyone on skates, skate boards or bikes at the park. Such activities are restricted from that park.*
- *MUST work around park patrons and park activities.*
- *OK to conduct two minute pedestrian control while cameras are rolling.*
- *MUST allow patrons to pass through access areas when cameras are NOT rolling.*
- *Company is responsible for all trash generated at park.*
- *MUST leave park clean once all filming activity has concluded at the park.*
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Nudity is prohibited and not allowed in any Recreation and Parks facility.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless

NOT A PERMIT

prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.

- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
